### **THIS PLAN IS NOT INSURANCE and is not intended to replace health insurance.**

Smile Generation Dental Plan - Kids is NOT insurance and is not intended to replace health insurance. The plan does not pay providers directly. Members must pay for services at the time of treatment and will receive discounted rates from participating providers listed at [www.smilegeneration.com](http://www.smilegeneration.com). Discounted rates may vary depending on the type of provider and service. You may cancel within the first 30 days after payment and receive a refund of your initial recurring payment, but the one-time Administration Fee will not be refunded unless otherwise required by applicable state law. You may cancel your plan after the first 30 days without any refund (residents of CA, FL, and OK are eligible for prorated portion of the fees). If you received services under the plan prior to cancellation, you may be responsible for paying your provider the differences between the discounted rate and your provider's standard rates for the services performed (excluding LA and WA residents). If your plan expires and you later decide to renew, another non-refundable administration fee may apply. Wellfit Plans, LLC, a Discount Plan Organization, is located at 3900 Teleport Blvd, PO Box 140309, Irving, TX 75014-0309 and can be reached at (customer service number).
